Office of the Legislative Counsel

Monday - 5 October 1959

1. Talked with Mr. Robert Smart, House Armed Services Committee staff, and furnished him data on the number of reservists employed in the Agency. Mr. Van Zandt had asked a question at the 19 February 1959 hearing on this subject and the figures furnished at that time were not complete. Also furnished to Mr. Smart for the information of the Kilday Subcommittee the Report by the Committee on Exploitation of Foreign Language Publications to the United States Intelligence Board dated 28 August 1959. Mr. Smart was also brought up to date on the current status of Agency GAO discussions concerning an improved audit.

2. Delivered to John Mitchell, Chief Counsel for the Moss Information Subcommittee, a report of the Committee on Exploitation of Foreign Language Publications to the United States Intelligence Board dated 28 August 1959 for information of the Subcommittee.

25X1A 3. [] telephoned stating that he would have a copy of General Cabell's presentation before the Senate Internal Security Subcommittee sent up to the DDCI on 7 October. At present it is unclassified and will only be cleared with the Division. Later it will be cleared with State Department and the FBI in preparation for a preliminary meeting with J. G. Scowring on 9 October. I indicated [] that there may be some question of whether the hearing is open or executive. 25X1A

25X1A 4. Talked with [] on the follow up action as a result of the luncheon with Representative Francis E. Walter. [] is pulling together a collection of published comments on the World Youth Festival and is also collecting a number of publications dealing with Communist front organizations in various foreign areas. I also indicated [] that we presumably will be expected to furnish names of witnesses in the event HCUA does decide to hold some type of hearings on the World Youth Festival. 25X1A

5. Ben Mandel, Senate Internal Security Subcommittee staff, called and requested copies of the FBIS supplement containing Khrushchev's U. S. speeches as broadcast abroad. Arrangements were made with FBIS to send this supplement to Mandel directly.

6. [] (IO/3) called to say that they were interested in talking with Sherman S. Willse, a narcotics expert on the staff of the Senate Rackets Committee. He testified before the Committee on 1 July 1959 concerning the smuggling of cocaine from Peru into other countries. IO is interested in statements by Willse concerning the activities [] We are to check on Willse's whereabouts and be back in touch with IO.

7. [] called and asked that we obtain from the Joint Committee on Printing, a copy of the regulations governing the procurement of printing equipment and services. He is concerned that the Agency may be deviating from the requirements of the Committee's regulations without sufficient approval from the Committee. It was suggested that he discuss this matter with [] of Logistics who maintains contact with that Committee staff.
